S i r,

I have the honor to state that one Gururayachar of Belur in his statement before the Amildar of Belur Taluk on 29th October 1921, states that one seer of rice was being granted to his father during his life time out of the Chatrachatram funds, that the grant has been stopped from the time of the death of his father about 25 years back, that he was not able to claim the lavajama all these years as he was absent from the place and prays that the grant of one seer of rice may be continued to him. He also produced a sanad granted to one Srinivasa Char by His late Highness Sri Krishnarajendra Wadeyar Bahadur III in the year Angirasa i.e. one hundered years' back. The sanad authorises the grant of articles from chattram for seven persons. Both the Amildar and the Sub Division Officer opine that half a seer of rice with lavajama or one seer of rice without lavajama may be granted to the petitioner from the chattram funds.

2. As the sanad produced is an ancient one and as Gururajachar is very poor and has no other means of livelihood, I request that you will be so good as to obtain the sanction of Government for the continuance of the grant of one seer of rice out of chattram funds as per sanad granted by H.H. the Maharaja to the ancesstors of the claimant.

3. The connected records accompany.

I have the honor to
S i r,
Your most obedient servant.
